**12-13 AUGUST 2021
VIRTUAL CONFERENCE**

In 2019, Anglican Schools Australia (ASA) invited all schools to participate in the ASA Student Celebration. This initiative, launched at the Hobart conference, aims to include our students in the annual ASA Conference through videos of student celebration.

At this year's virtual conference, ASA will continue the celebration of our students and their commitment to service. We encourage schools to invite students to make and submit a short video showing how they serve their community.

Entries due by 30th July 2021 to media@anglicanschoolsaustralia.edu.au
