

CAMBERWELL

GRAMMAR SCHOOL

SCHOOL CHAPLAIN FULL-TIME – COMMENCING TERM 1, 2025

Camberwell Grammar School, a Pre-Prep to Year 12 Anglican Boys School, is seeking a suitably qualified Chaplain to provide ministry to our students between Years 7 and 12 and to teach Religious Education.

This is a permanent full-time position commencing from the beginning of Term 1, 2025.

As pastor, the Chaplain is available to provide pastoral care and counselling to students, staff and parents of the school. This can occur through personal contact and classroom teaching.

As a teacher, the Chaplain participates in the academic program to deliver both Christian and Religious education programs within the curriculum and in co-curricular programs. As Priest (whether ordained or not), the Chaplain provides leadership in services of worship in the All Souls Chapel and at School Assemblies, and other sacramental activities that are part of the ministry within an Anglican School. It would be preferable that the Chaplain is licensed, or is eligible to be licenced by the Archbishop of Melbourne.

Chaplaincy acts to mirror the values, beliefs and actions that are inherent in the Christian world view and practice for our School Community; to affirm these values where they demonstrated and to challenge us when they seem to be wanting.

It is understood that the Chaplain as a Christian Minister is committed to working in an interfaith manner, which is respectful of the various faith traditions present in the school community while recognising and affirming the distinctive Christian tradition that underlies the ethos of this Anglican school.

The Christian and Religious education program has a pivotal function in connecting all students with the faith and traditions of the Church.

RELIGIOUS WORSHIP

The Chaplain provides leadership in services of worship in the All Souls Chapel and at School Assemblies and other sacramental activities that are part of the ministry within an Anglican School.

The Chaplain:

- is available for confidential pastoral counselling and care to all members of the school community.
- is involved in school processes relating to crisis intervention and trauma debriefing

TEACHING DUTIES

This is a full-time position linked to the whole school program and campus collaboration.

The Chaplain is a member of the teaching staff whose responsibility is to deliver Christian Education programs within the curriculum.

The Chaplain devises and implements a structured, sequential program that enables the exploration of Christian beliefs and values.

As part of the teaching load, the Chaplain may be asked to assist with the learning program of the School, as well as contributing to general school activities and events as they arise.

Attendance at staff meetings and professional development activities is encouraged.
